Adopt a Transitional Apartment

Adopt one of the Next Step Transitional Apartments and turn it into a home for someone in need! A little elbow grease, some new curtains, kitchen supplies, and things like that can make all the difference for someone moving into their own home for perhaps the first time in a long time.

Food Ministry Volunteers

Help us serve and prepare 6:30am breakfast, 12 Noon lunch, 7:00pm dinners seven days a week. There is one exception to this schedule; lunch is served at 1pm on Sunday. Ideally, we could utilize 2-6 volunteers for most meals, but larger groups are welcome. Simply complete our online application or call the Volunteer/Events Office to start. This is an ideal activity for families and small groups.

Drivers

Drive people to various appointments in our vehicles as needed. Some appointments occur on a regular basis. We need a completed online application, a background check and other important information. You must have a "clean" driving record to be considered.

Mentors, Tutors and Job Coaches

We are looking for Christian men who can come along side the men in our discipleship recovery program in these areas. This is a great opportunity to help provide personal, professional and spiritual support. We need a completed online application and appropriate background checks in most situations. A clean driving record may also be needed.
